Foresters Term: Live life your way

Foresters Term is a life insurance solution designed to provide affordable financial protection.

- Choose the term that's right for you: 10, 15, 20, 25 or even 30 years.
- Guaranteed death benefit amount and level premiums for the duration of the term.
- Coverage from \$20,000 to \$400,000 for non-medical underwriting, and from \$100,000 to \$10,000,000 and higher with medical underwriting.
- Foresters Strong Foundation Term Life offers non-medical underwriting with no paramedical exams, fluid collection, or saliva swabs, and no life event requirements. Insurability depends on answers to medical and other application questions and underwriting searches and review.
- Foresters Your Term Life offers medical underwriting with preferred and substandard underwriting classes available.
- Optional riders that can be added for extra protection or living benefits.

Added protection for illness

Plus, the Accelerated Death Benefit Rider is automatically included with your coverage. This may allow you to access a portion of the eligible benefit in the event that you are diagnosed with a covered chronic, critical or terminal illness.³ The accelerated payment can be used to help cover out of pocket healthcare expenses and/or supplement lost income.

Term insurance from Foresters is competitively priced, with coverage options to suit your budget.
